

Why Choose PECB

About PECB

PECB is a certification body for persons, management systems, and products on a wide range of international standards. As a global provider of training, examination, audit, and certification services. PECB offers its expertise on multiple fields, including but not limited to Information Security, Continuity, Resilience and Recovery, Governance, Risk Management, and Compliance, Quality Management, IT Governance & Service Management, Health, Safety, and Sustainability.

We help professionals and organizations to show commitment and competence with internationally recognized standards by providing this assurance through the education, evaluation and certification against rigorous, internationally recognized competence requirements. Our mission is to provide our clients comprehensive services that inspire trust, continual improvement, demonstrate recognition, and benefit society as a whole.

Why Choose PECB

The ability to show what you do, how you do it and how well you do it is a question of today.

But how can you prove you have the knowledge, experience, and skills to perform a professional job?

By obtaining a certification that presents itself!

Find out which are the values that you'll earn when you choose Professional Evaluation and Certification Board (PECB) as your partner in your professional career.

PECB is Accredited

PECB is accredited by the International Accreditation Service (IAS) under ISO/IEC 17024, Conformity assessment - General requirements for bodies operating certification of persons, under ISO/IEC 17021, general requirements for bodies providing audit and certification of management systems, and under ISO/IEC 17065, requirements for bodies certifying products, processes and services.

Accreditation is vital for international recognition of your certification. Be careful when you select a certification body, as many offer unaccredited certification.

International recognition

PECB is present in more than 150 countries worldwide, through its network of representatives, partners, trainers, auditors, assessors and professionals. Its accreditation, wide range of services covering multiple fields, and the success of PECB certified organizations and professionals are your path towards international recognition.

PECB Certifications are accepted EVERYWHERE

PECB certifications are accepted and recognized everywhere! A PECB certification will provide an opportunity for organizations and professionals to demonstrate proficiency in compliance, dedication for excellence, and competencies in improving internal operations and providing customer confidence.

Lowest certification maintenance fees in the industry

PECB offers low-cost certifications annual maintenance fees to enable you to show your commitment to continual improvement.
